

Joint Solutions Planning and Regulatory Team Meeting Input on Identified Topics

Solutions Planning Team request for near-term input:

- Water use per capita (*Sharon Trost, Alba Mas, Mike Register, co-leads*)
- Water shortage criteria comparison (*Beth Ross, lead*)
- Aquifer recharge and impact offset sources and programs (*Ed de la Parte, lead*)
- Resource redistribution (*Ed de la Parte, lead*)
- Caution area example review (*Laura Donaldson, lead*)
- Interdistrict transfer of ground and / or surface water (*Beth Ross, lead*)
- Public interest (3rd prong test interpretation) (*Mary Ellen Winkler, lead*)

Solutions Planning Team request for potential future input:

- Environmental strategy for projects (*coordinated with Recovery/Prevention Team*)
- New MFL's and Reservations during CFWI implementation
- Permittability of Solutions Planning Team projects
