

CFWI Steering Committee Meeting
November 14, 2014

Regulatory Team Update

Lennart J. Lindahl, P.E.
Regulatory Team Leader

Regulatory Topics

- **Following Dec 2013 FDEP Guidance Memo**
 - WMD coordination on pending applications
 - Review of permit duration
 - Water conservation criteria
- **Reporting consumptive use data**
 - Updated list of pending consumptive use permit applications
 - Separated by District
 - Requested permit duration
 - Identifies requests for new quantities by source
 - Available on www.cfwiwater.com

Regulatory Topics

- **Topics under development:**
 - Success principles
 - Water use per capita data collection
 - Caution area example review
 - Public interest
 - Conjunctive use

Domestic Self-Supply (DSS)

Follow up from October Steering Committee meeting:

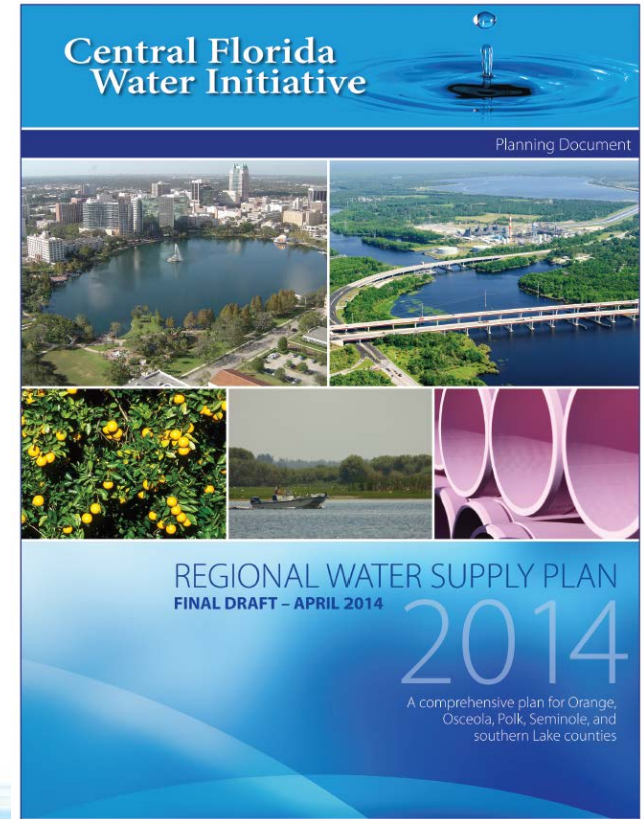

- DSS use is relatively small across CFWI.
- Concern about PWS customers switching to self-supply beyond RWSP assumptions.
- Option to follow by investigating the concentrations of DSS versus the locations of constraints.
- Scope will take us beyond deadlines for the RWSP. Potentially identify issue for future study in RWSP updates.

Review of SPT Projects

- Water supply development projects identified in the RWSP should have a “likelihood of being permittable.”
- Presentations given on SPT Projects
- Template developed for Regulatory Team Review:
 - Planning level review
 - Project caveats and refinements
 - Rule inconsistencies
 - Statutory impediments

Review of SPT Projects

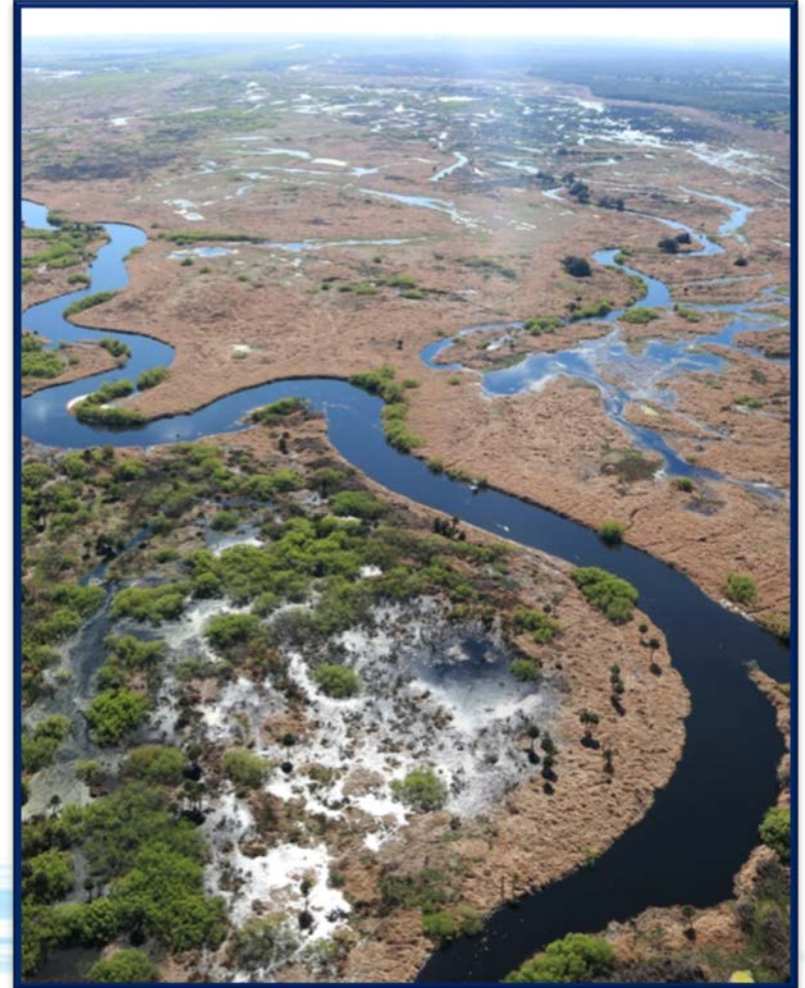

- Templates to be completed by the team
- Discuss draft findings at joint meeting with SPT on 11/20
- Incorporate findings into the RWSP

Regulatory Team

Upcoming

- Continued progress on priority topics
- Coordination with Solutions Planning Team
- Regulatory Review of RWSP Projects
- Draft content for Strategies Document

Thank you.
